

Evaluation: CHAMPS/CCHN/CCIC Immunization Update

1. Evaluation Introduction

Thank you for attending the Fall 2009 Immunization Update: Novel Influenza (H1N1) teleconference hosted by CHAMPS, CCHN, and CCIC on September 16, 2009. Please complete the following evaluation questions so we can review our goals, objectives, and topics for future events. If you are requesting CME, you must complete the Evaluation, CME questions and supply your contact information. You will receive a CME Certificate within six weeks.

Please complete and submit this Evaluation/CME information no later than Friday, September 25, 2009.

1. Please provide your contact information. This is required if you would like to receive CME Credit for this event.

Name, Credentials	<input type="text"/>
Title	<input type="text"/>
Organization	<input type="text"/>
Address/City/ST/ZIP	<input type="text"/>
Email Address	<input type="text"/>
Phone Number	<input type="text"/>

2. Are you requesting CME credit for this event? (A \$15 fee per person is applicable to non-members of CHAMPS or CCHN.)

Yes

No

3. Are you a member of CHAMPS or CCHN?

Yes - CHAMPS

Yes - CCHN

No

4. Please rate your overall satisfaction with this teleconference on a scale of 1-10 (1 being the worst possible rating and 10 being the best possible rating).

2. Evaluation of Educational Objectives

Evaluation: CHAMPS/CCHN/CCIC Immunization Update

1. I feel this presentation addressed Educational Objective #1:
Understand the epidemiology and clinical features of Novel Influenza A
(H1N1)

Strongly Agree

Agree

Neither Agree nor Disagree

Disagree

Strongly Disagree

2. I feel this presentation addressed Educational Objective #2:
Understand how H1N1 is diagnosed and treated, particularly in the primary
care setting

Strongly Agree

Agree

Neither Agree nor Disagree

Disagree

Strongly Disagree

3. I feel this presentation addressed Educational Objective #3:
Learn about the H1N1 vaccine and the safety of the vaccine

Strongly Agree

Agree

Neither Agree nor Disagree

Disagree

Strongly Disagree

Evaluation: CHAMPS/CCHN/CCIC Immunization Update

4. I feel this presentation addressed Educational Objective #4:
Understand how the H1N1 vaccine is to be given and how it will be coordinated with the administration of the seasonal influenza vaccine

Strongly Agree

Agree

Neither Agree nor Disagree

Disagree

Strongly Disagree

3. Evaluation of Speaker

1. The speakers were knowledgeable on the topic:

Strongly Agree

Agree

Neither Agree nor Disagree

Disagree

Strongly Disagree

2. The speakers were interesting to listen to:

Strongly Agree

Agree

Neither Agree nor Disagree

Disagree

Strongly Disagree

3. The content was presented in a balanced manner:

Strongly Agree

Agree

Neither Agree nor Disagree

Disagree

Strongly Disagree

4. Evaluation of Logistics and Materials

Evaluation: CHAMPS/CCHN/CCIC Immunization Update

1. Rate your experience registering for and participating in this teleconference:

Very Easy

Easy

Neither Easy nor Difficult

Difficult

Very Difficult

2. This teleconference gave me practical tools I can use while working:

Strongly Agree

Agree

Neither Agree nor Disagree

Disagree

Strongly Disagree

3. How likely are you to attend another CHAMPS, CCHN, or CCIC distance learning event (teleconference or webcast)?

Very Likely

Likely

Somewhat Likely

Not Very Likely

Not at All Likely

5. Additional Evaluation and Needs

1. Briefly describe the best aspects of this teleconference:

2. Please describe how this teleconference could be improved:

Evaluation: CHAMPS/CCHN/CCIC Immunization Update

3. List other training topics that would meet the needs of your job:

4. Other Comments:

6. CME Questions

Thank you for answering the Evaluation questions. If you are not applying for CME, please scroll down and click "Next".

If you would like to earn CME, please understand that you must have attended the entire teleconference and complete the following post-test in order to qualify for CME credit. Failure to complete all CME questions will result in no CME credit awarded.

1. Influenza can be transmitted person to person as far as 3 feet away.

True

False

2. The Rapid Antigen Detection Test lacks sensitivity compared to the PCR test.

True

False

3. All patients with H1N1 should be treated.

True

False

4. In persons vaccinated with seasonal vaccine, adults ages 60+ have the highest antibody protection against H1N1.

True

False

Evaluation: CHAMPS/CCHN/CCIC Immunization Update

5. ACIP recommends only 3 targeted groups for initial H1N1 vaccination; persons 6 months-24 years of age, persons caring for infants <6 months of age, and healthcare personnel.

True

False

6. All healthcare providers who vaccinate against H1N1 should report clinically significant adverse events after vaccination to VAERS.

True

False

7. When communicating with parents about influenza vaccines, it is better to present only the case for receiving the vaccine(s) and not discuss risks of the vaccine(s).

True

False

7. Thank You!

Thank you for your time and input. Your opinions play a vital role in guiding our Distance Learning Program. We hope you will join us again in the future!
