

CHAMPS PRODUCTS AVAILABLE FOR PURCHASE: DESCRIPTIONS OF CLINICAL AND NON-CLINICAL TOOLS, RESOURCES, AND PUBLICATIONS

EXAM ROOM POSTERS

Antibiotics Posters (2001)* – Laminated 8.5" x 11"

These posters highlight the reasons why clinicians do not routinely prescribe antibiotics for viral infections. They are available in Spanish and English.

CLINICAL REFERENCE/POCKET CARDS

Oral Health Pocket Card (2008)* - Laminated 3.5" x 6.5"

This card details normal tooth eruption dates, treatment for avulsed permanent teeth, oral and head/neck cancer examination, and common prescriptions for dental problems.

Medical Spanish Pocket Card Set (2006-2007) – Laminated, 3 ¾" x 7 ¼"

These two double-sided bound cards, produced by Borm Bruckmeier Publishing, provide medical terms, common questions, body parts, greetings, and exam terminology in English and Spanish.

Prescribing in Spanish Pocket Card (2008)* – Laminated 4" x 8"

This card, produced by CHAMPS, provides phrases in English and Spanish related to prescribing medications, such as how to's, frequencies, cautions, and warnings.

Guideline for Tobacco Cessation & Secondhand Smoke Exposure (2007) – Laminated 8 ½" x 11"

This reference card, provided by the Colorado State Tobacco and Education Prevention Partnership (STEPP), is a two-sided guide for clinicians for tobacco interventions and pharmacotherapy treatments.

Screening, Brief Intervention, Referral to Treatment (SBIRT) for Alcohol Use Pocket Card (2008) – Laminated 3 ¼" x 4 ¼"

This double-sided reference card, provided by SBIRT Colorado, provides SBIRT program guidelines including questions to ask, criteria for a positive screen, healthy range of use, etc.

WELLNESS PAGES

Patient Education Handouts (2003)* - Color, Double Sided 8.5"x11"

These handouts support evidence based preventive care provided by clinicians; each is specific to age groups and gender and written at a lower literacy level. Available age levels include: Teens, Women 21-49, Women 50-64, Women 65+, and Men.

PATIENT EDUCATION VIDEO/DVD – BABY BOTTLE TOOTH DECAY (2001)

Baby Bottle Tooth Decay is 16 minutes long, and is available in English and Spanish on video, and in English on DVD. The presentation is designed to help parents understand the importance of proper dental care. It educates parents on implementing a beneficial oral health regimen with the active participation of their children, and covers early detection and prevention, the impact of sugars, healthy snack suggestions, proper use of fluoride, and proper brushing and flossing techniques.

INTRODUCTORY TQM/CQI VIDEO/DVD SERIES (1997)

This four hour series on **Total Quality Management and Continuous Quality Improvement (TQM/CQI)** is available on video or DVD. Covered topics include: Introduction & Key Definitions, TQM & CQI in Health Care, CQI Process & Tools: Beginning the Journey, CQI Process & Tools: The Next Steps, Advanced TQM/CQI Processes: Team Decision-Making, and Case Study: CQI Team Approach to Solving a Clinical/Administrative Problem. The series comes with a three-ring binder of related and additional information including a pocket guide.

REGIONAL PUBLICATIONS**

CHAMPS 2009-2010 Region VIII Health Center Directory

This publication, available in November 2009, contains contact information for all Region VIII health center grantees including satellite sites. The directory lists administrators and clinicians working at each site, and includes information on each of the State Primary Care Associations in Region VIII.

CHAMPS 2008 Region VIII Health Center Salary Survey Report

This report provides an analysis of data from Region VIII Community, Migrant, and Homeless Health Centers, enabling these Health Centers to determine if their salary and benefits packages are competitive in comparison with similar organizations within the region.
